The Green Expo is open Tuesday and Wednesday 8 a.m. to 5 p.m., and Thursday, 8 a.m. to 4 p.m.

*Exhibitor Passes cannot be used to present oral or poster presentations. However, passes can be upgraded to full conference registrations for half price, in order to present.

What Will the Future of Chemistry Innovation for Sustainability Look Like?

SHOWCASE YOUR TECHNOLOGY AT THE GC&E INNOVATION HUB

The innovation hub will be a dynamic and immersive space designed to foster collaboration, showcase cutting-edge technologies, and inspire the next generation of innovations addressing global sustainability goals.

Key Elements:

- **Networking Lounge:** Engage with researchers, industry experts, and students in a vibrant space designed to facilitate meaningful connections and knowledge exchange.
- **Interactive Showcase Booth:** Present your latest immersive technologies, innovations, or programs. As an innovation booth you will have an opportunity to provide an elevated experience to attendees and showcase how your organization is advancing green chemistry and sustainability solutions.

Diamond Sponsors will be featured in the Innovation Hub

GC&E Innovation Hub Package starts at \$10,000*, and includes:

- 10'x 10' display space (optional table and chairs)
- Wi-Fi
- Work with ACS GCI staff to ideate your interactive presence
- 2 exhibitor registrations
- Access to GC&E Conference sessions, networking breakfasts, and receptions

*Depending on booth specifications

Note: The Innovation Hub can be added to any existing sponsorship level
